### **Citizens concerns and comments –**

Sue Jenicek said she used to be on the Parks Committee. The Parks Committee has a job description, and they would present the town board with needs for both parks. Suggests HFNP Ad Hoc committee combine with the existing Park Committee. Sue would also like the culvert replaced to her driveway, which should have been done when they worked on Whiting Road.

### **Roads Report by Mike Yonan-**

Will be ditching on Whiting Road from Vicks driveway to the top by Katherine Franta's driveway.

Will be doing some brushing in the barrens.

Maki road will probably be finished in early June.

Alice and Ken Cadotte brought it to the Boards attention that their internet speed was so slow.

**Discussion regarding HFNP property fencing issues.** Don Jenicek stated that trespassers were infringing on neighbor's property, fencing needs to be addressed. Trespassing by neighbors and others is not according to the Management Plan. Don read excerpts from the Management Plan regarding the trespassing issues as well as only one entrance to the preserve. We have an Ordinance on file that allows the Town Board or its design to issue tickets for violations.

Cary Bouchard stated that there had been great strides taken in HFNP management in the past year. Bill Bodin had spoken to Bert Kasiske, and the owners feel they have easement rights into the preserve, and stated that the Board was trying to abide by the Management Plan. Don Jenicek stated that the Town Board is trying to enforce the Management Plan. Mike Yonan has had the South end of the preserve surveyed. It was suggested that Don Jenicek work with Mike Yonan on fencing costs and a proposal for how far to fence on the North and South ends of preserve. **Motion** was made by Bill Bodin seconded by Mike Garnich to table and report back next month with costs etc. **Motion carried.**
