

Town of Bayview 5/8/2018 Road Tour Minutes

Attending: Larry Nelson, Don Jenicek, Charly Ray, Mike Yonan

Maki Rd. West – planning to add gravel, dig out wet holes in road.

Big Rock at bridge hill south – plan to find drain tile at bride and clean out
- plan to cut out slide and boil areas and French drain them out then pave over
- discussed priority of this vs. other things in Town and budget – not resolved
-Mike will get quote on pave over

Big Rock Rd. North – discussed need for overlay in next few year

Mattson Rd. - on the list for gravel

Potter Lane – inspected, in good shape, mowed

Mcullough – two culverts need replacing

Smith – lots of sections of ditch work needed and at least two culverts.
-discussion of getting an excavator or bulldozer rented and having Jim Maki work on the drainage for two weeks – history of recent improvements – did not get to ditching so some of improvements lost
-needs grading soon

Whiting Rd. - reviewed TRIP project work area

Town Park – needs a pump out
-viewed site for possible location of Depot – just south of Paymaster building
-need to dig out fire rings
-yurt discussed

Friendly Valley Rd. Beach – need some gravel and grading

Bodin Rd. - candidate for 1 1/2” overlay
-trees are fine after trimming back by Mike
