I. PURPOSE

- A. This municipal plan has been developed to provide procedures for the Town of Bayview to respond to various types of large scale emergencies or disasters that affect the community.
- B. This plan is being developed to assure NIMS integration into local prevention, planning, response and recovery efforts.
- C. This plan supplements the Bayfield County Emergency Operations Plan.

II. SITUATION AND ASSUMPTIONS

Several types of hazards pose a threat to the lives, property or environment in Bayfield County. A copy of the Hazard Analysis is located in the County Emergency Management Office.

III. ACRONYMS

EOC – Emergency Operations Center
EOP – Emergency Operations Plan
ICS – Incident Command System
NIMS – National Incident Management System
UDSR – Uniform Disaster Situation Report
WEM – Wisconsin Emergency Management

IV. CONCEPT OF OPERATIONS

A. TOWN OFFICIALS

- 1. Town officials have primary responsibility for disasters that take place in their town. Suggested actions include:
 - a. Notify town chairperson (or board member if the town chairperson is not available) and advise of the event/situation.
 - b. Establish contact with other town officials as appropriate.
 - c. Establish a location (emergency operations center) where local government administration will be represented and accessible for information and decisions that relate to the overall response.
 - d. Assure that the Incident Command System (ICS) is in use in order to provide a flexible but consistent structure to organize response.
 - e. Develop documentation and expense records tracking for quick damage assessment if a federal disaster assessment is requested and/or state disaster assistance is requested.
 - f. Establish communications by telephone in order to respond to requests for information from county or state officials as well as the media.
 - g. Compile information on the size and impact of the event.
 - h. Chairperson, or designee, declare a state of emergency as necessary, and notify county emergency management of this action, forwarding a copy as requested.

- i. Notify the public of the situation and appropriate actions to be taken.
 - j. Keep county officials informed of the situation and actions taken and/or assistance requested.
2. Emergency service agencies respond and establish incident command according to standard procedures.
3. Municipal officials provide support to the response coordinating resources as needed.
4. If municipal resources become exhausted or if special resources are required, request county assistance through the County Emergency Management Coordinator.
5. A command post or emergency operations center will be established.
Location:

Telephone number: 715-373-2813

Telephone number:

Fax number: 715-373-2813

B. COUNTY EMERGENCY MANAGEMENT

1. County emergency management works to support local government efforts to respond to the incident. Actions may include, but are not limited to:
 - a. Activate the county EOC as appropriate.
 - b. Implement the County Emergency Operations Plan.
 - c. Assist local governments in locating resources.
 - d. Coordinate county resources with other jurisdictional resources.
 - e. Notify WEM Regional Director of the situation.
 - f. Develop Uniform Disaster Situation Report (UDSR) based on information available through local officials and forward to WEM.
 - g. Assist local governments with prioritizing and allocating resources.
 - h. Assist local governments in procuring resources from the state.
2. If municipal and county resources are exhausted, county emergency management may request state assistance through Wisconsin Emergency Management.

C. WISCONSIN EMERGENCY MANAGEMENT

1. If state assistance is requested, the WEM Administrator in conjunction with the Regional Director and county Emergency Management Coordinator, assess the disaster or emergency situation and recommend that personnel, services and equipment be made available for response, mitigation or recovery.
2. After completing the assessment, the WEM Regional Director immediately notifies the WEM Administrator.

3. The WEM Administrator notifies the Governor and makes recommendations.
4. If state assistance is granted, procedures will be followed as stated in the Wisconsin EOP and the County EOP.

V. ORGANIZATION:

See Emergency Operations Center Alerting List.
This list also serves as line of succession.

VI. RESOURCE MANAGEMENT:

VII. Plan Development and Maintenance:

The plan is maintained by the town Chairperson or designee.
