

Houghton Falls Nature Preserve Trapping Permit

Town of Bayview, Bayfield County

In addition to abiding by all state laws, regulations and permits, trapping in Houghton Falls Nature Preserve requires a town permit. Permit application must be submitted at least 30 days prior to the trapping season.

One trapping permit, for a two week period may be issued annually. The cost for administrative processing fee will be \$15.00.

Trapping is restricted to south of the southern edge of the ravine and west of the railroad grade.

Trapper is liable for any injuries to people, dogs or property.

Permit shall be a signed document by the trapper denoting liability.
